Dear friend

Thine of 22d to J. J. King duly recd. & noted.

I enclose check of $75.– for Hunting Creek Mtg. House, from the Mtg. Hse. Fund started by our late dear friend Stanley Pumphrey.

Please state the size & total cost of the Mtg. Hse. (estimated), & whether the Friends there will be able to finish it with the aid they have now received.

Dear friend

Thine of 23d inst to J. J. King has been duly recd. We are much obliged for the list of names of Friends who are suitable to undertake the collection for the "Stanley Pumphrey Fund". We do not however wish to urge this method of collecting if any better way can be devised. C. F. Coffin thought that the best way for their Q. Mtg. would be to present the subject at the Q. Mtg. & ask for an appropriation in a lump. What is thy opinion as regards Western Q.M. $150.– a year would be sufficient.

Thy friend
John C. Thomas, Secy.
