I am cautioned to say that the Schedule
Inventory act speaks the exemption, although
I doubt by much whether such was the
intention of the Draughtsman of that
Act, I certainly think was not the
Wish & intent of the Mayor and City
Council of Charleston when they exhibited
for the passage of the Schedule —
As mentioned Even in conversation
by comparing the Schedule two
different at first view of the phraseology
thinking that the language employed was
not sufficient to repeal the original act
in this particular; I thought it hurried like
