I believe that such was not the design of the Prayer
Book Committee, in keeping this Legislation only
for the purpose of enabling the decision
of the Supreme Court upon the act as it stood
at the time of entering the Land
Grant in Action, but on framing the Land
Grant in question, a certain age, that
many unforeseen years a certain age, that
I expected (certainly a different decision
from that from contention — Upon examination
of the decision I think that the demand
for Action must be made with reference had a lein.
to the ... without exception.
