The friends appointed at a former sitting produced an essay of endorsement for the certificates and minutes of friends in attendance at this time, which was read, approved, and directed to be signed.

Epistles addressed to New York, Virginia, and Philadelphia Yearly Meetings were read

Then adjourned to 3 o'clock tomorrow afternoon. 30th of the month and 5th of the week, near the time appointed friends assembled.

Epistles were produced by the committee to Indiana; and North Carolina Yearly Meetings, which were read, approved, and directed to be signed on behalf of this meeting.

The subject of education was introduced into the meeting by a report from Baltimore Quarterly, and as it appeared that way had not opened to make any progress in this interesting and very important work, friends were recommended to persevere in the promotion of a measure on which so much depends.

The Representatives being called were present as at the first sitting.

Having been enabled to transact the business which has come before us in unanimity and love, for which favour we desire to render the tribute of thanksgiving and praise, the meeting concluded; to meet again at the usual time next year if so permitted.
