Dear friend
Shine of 5th inst.

I wrote Mr. Cluett that we would send duly recd. noted.
I wrote Mr. Cluett that we would pay \$200. towards a new only the at Congress, where the ref is one, provided he was satisfied they could raise the other \$40 of the estimated cost & would send him of lot. As a rule, we shall collect our grants to 1/4 or 1/2 of total cost of a new meeting house, at least as I see the new coming in much faster than it does now. There may offer \$100. from our Band to offering more, providing they will be able to send the remainder of the cost
