we need not consider them
just as there to inquire whether
the donors are completed.

Please inform us of any other
meetings that may need 100.
or 200. to enable them to finish
their houses, & are worthy of help.

Dear friend

Der Herr. Adv.

have not thought best to dis-
tribute to any what we have
received of the Meeting House
fund from England, as we
have not yet had any ad-
dresses to designate for distribu-
tion in this country. But
that standing Committee agrees
we think of sending one some
effort is made to London &c. &c.
that they may be most advantage-
ously used.

The have an official from Indiana
about the conference, for aid. We
build three new houses, & we
like the program and are the
