

last few months of his life, that it seems to us that it would be very appropriate to give his name to the fund. We think also that giving it somewhat of a memorial character might secure a great many small subscriptions which would otherwise be lost, as being thought not large enough for a fund to build Meeting House.

Knowing thy deep interest in the cause, I write to ask whether thou thinkst that \$200. could be raised for this purpose in your yearly Meeting during the year, & whether thou wilt undertake the collection of subscriptions. If there will name a suitable friend to receive contributions in each Monthly

Meeting where there is any probability of subscriptions being obtained, we would send him as many copies as he needs of an Appeal and so forth. As it is about to print for distribution among those who are able to give. We would also suggest that the subject be strongly presented at your next yearly Meeting.

Please let me know thy views on the above questions as soon as practicable; also any other suggestions that may occur to thee.

Very truly thy friend

Dear Friend,
I have just received your letter of the 10th inst. in regard to the proposed fund for the Meeting House. I am very glad to hear of your interest in the cause, and I am sure that your efforts will be successful. I have already written to the friends of the cause in this city, and I am sure that they will be very anxious to contribute to the fund. I have also written to the friends of the cause in other cities, and I am sure that they will be very anxious to contribute to the fund. I am sure that the fund will be very successful, and I am sure that it will be a great blessing to the cause.

Very truly thy friend
