Dear friend

Thou remembers
that J. J. King promised thee
from the Meeting House Fund
\$350. for each of the two new
meeting houses being built in
your neighborhood, & that \$350.
has been sent for the one at
Bethesda. We have a letter
from Allen Jay, saying some
increase of the grant to the
other house which is being built
near Little Bethesda, & we have
decided to make the grant
\$75. instead of \$350. payable
when the roof is on. Please
write me the money out & give it to
my friend John B. Thomas

Dear friend
Thy letter of 14th inst

to J. J. King was duly received
& considered by our Association
and I am authorized to say
that we have made a grant
of \$100. towards the erection
of a meeting house at your
place, payable when the house
is up & the roof is on.

As soon as we get a certificate
to that effect from the Building
Committee, I will remit the money.

Thy friend
John B. Thomas
dearly.

Dear friend

I have just made good as it
will pay it as soon as we can
- in part of Bethesda, &
\$50. - more towards the meet-
ing house at your place.
