To Balt. Meeting for Sufferings

Yearly Meeting of Friends for New England 6mo 1845

A secession from our Religious Society having to some extent taken place within the limits of this yearly meeting, and similar meetings set up, bearing the name of, and claiming to be meetings of the Society of Friends, we have deemed it a prudent measure, though we trust not actually called for in many of our meetings, on account of any disaffection towards society (known as secession within their borders) in order to relieve our Friends abroad from any embarrassment in the acceptance of Certificates, and other papers from New England, to appoint correspondents in all our Monthly Meetings, whose duty it shall be to sign all certificates and other papers issued by those meetings respectively, in addition to the usual signing by the Clerk. And any one of whom, within the limits of their respective Quarterly Meetings, may sign any document issued by such Quarterly Meeting. In case of removal by death or otherwise of any of the correspondents now appointed, Quarterly Meetings are authorized to supply any vacancies

that may occur till the time of our next yearly meeting. From the Minutes of said meeting
