At a stated meeting for sufferings held in Baltimore the 18<sup>th</sup> of 10<sup>th</sup> month 1845 present 27 members - also divers friends from other yearly meetings.

It being now brought to the notice of this meeting that at the ensuing legislature of Maryland efforts are likely to be made to procure the passage of a law on the subject of the Lottery System of this state calculated to frustrate its enactments some years since by which that system was intended to be abolished, and friends being desirous that something may be done if way opens for it towards preventing such an occurrence it was concluded to appoint Rich<sup>d</sup> H Thomas, Hugh B Alderston, Thomas Levering, Thomas Northington, Francis Sking, & J. H. King & to have the subject in charge and if they deem it advisable prepare a memorial to that effect and present the same to an adjourned sitting of this meeting.

Adjourned to 7<sup>th</sup> day evening at 7 o'clock preceding Baltimore Quarterly meeting in the 12<sup>th</sup> month next.
