Dear friend.

In answer to
thy inquiry in regard to ins. on
Sileott Springs my house, will
say that it is insured and
that the interest on premium
note is \$3.38. which has just
been paid by Elizabeth Piggott.
but as she does not know the rate
of ins. and no one else here
seems to, I have written the
Co. to inquire. Presume it is
insured for all the Co would
risk at the time it was taken.

Will write thee as soon as
I hear. I enclose card from
E.H.P.

Very Truly
A.D. Nichols.

Dear Friend

In reply to the inquiry in regard
to the insurance on our (Patuxent) Meeting
House property I beg to state that there is
\$900⁰⁰ on the meeting house \$150⁰⁰ horse shed
and \$50⁰⁰ on small house on the lot.

This is placed with the Montgomery Mutual of
Sandy Spring Md. and is about $\frac{3}{4}$ of the estimated
