The Friends continued to deliver the testimonies of disownment offered last Month for Hannah Atterton and Mary Lobbin, reported the service performed.

The following testimony of disownment against Augusta Lafetter was produced, which was read approved and directed to be signed ^{the same friends were continuing to hand for a copy} thereof and inform her of her right to appeal, and upon a next meeting.

Augusta Lafetter has so far departed from the good order of our religious society as to associate herself with those who have separated from communion with the Ancient Society of friends; she has neglected the attendance of our religious meetings, and is in connection with meetings not acknowledged by our Yearly Meeting, thus identifying herself with the seceders and evidencing unity with their principles; having been visited and manifesting no disposition to acknowledge her deviation; We therefore disown her from membership with us, signed by direction and on behalf of Baltimore Monthly Meeting of Women friends for the Eastern and Western Districts in unity with the Ancient Yearly Meetings of friends held the 6th of the 6th Month 1833.
