The committee appointed produced the following testimony of disownment against Sarah Ely which was read approved and directed to be signed. They are continued to forward a copy thereof to Fushing Monthly Meeting, and to request it to furnish her therewith and inform her of her privilege of appeal.

Sarah Ely had so far departed from the good order of our religious society as to associate herself with those who have separated from communion with the Ancient Society of friends, she has neglected the attendance of our religious meetings and is in connection with meetings not acknowledged by our Yearly Meeting, thus identifying herself with the seceders and wounding unity with their principles. She having been visited on the occasion and manifesting no disposition to condemn her deviation! We therefore disown her from membership with us, signed by direction and on behalf of Baltimore Monthly Meeting for the Eastern and Western Districts in unity with the Ancient Yearly Meetings of friends held the 6th of the 11th Month 1833.
