The friends continued to inform Louisa Sanders of her reception in membership with friends reported the service performed.

The friends appointed to inform Ancestratta Monthly Meeting of the acceptance of the offering received from them reported the service performed, they are released.

Baltimore Preparative Meeting informed that Mary Ann Jones, and Sarah Pope have individually associated themselves with those who have separated from communion with the Ancient Society of Friends. They have neglected the attendance of our religious meetings and are in connection with meetings not acknowledged by our yearly meeting thus identifying themselves with the seceders and evincing unity with their principles. Dorothy Hopkins and Hannah Talbot are appointed to treat with them on the occasion and report.

The following report from the joint committee was read and deliberately considered. Way not opening for the appointment of a committee for active proceedings

the subject is left under the care of the meeting another month. Viz

The joint committee of men and women friends appointed by the monthly meeting to consider the subject of neglect in the attendance of our religious meetings. have at different times conferred together, and upon comparing their respective views and interchange of their sentiments thereon, they have felt the subject to be of that importance and interest as regards the welfare of society at large as to require a deliberate and circumspect movement therein.

The committee are generally united in judgement that it would be best to propose for the consideration of the meeting the appointment of a ^{joint} committee of men and women friends to visit as way may open in gospel love and endeavour to excite in the minds of those who have hitherto been remiss their obligation to a more diligent attendance of our meetings for worship and discipline which we submit to the meeting.
