The same friends were continued to furnish her therewith, and inform her of her right of appeal, and report to next meeting.

Rebecca Snowden has so far departed from the good order of our religious society as to associate herself with those who have separated from communion with the Ancient Society of Friends; she has neglected the attendance of our religious meetings, and is in connexion with meetings not acknowledged by our yearly meeting, thus identifying herself with the seceders and violating unity

with their principles. Having been visited, and manifesting no disposition to condemn her deviation, we therefore disown her from membership with us.
