

The committee in Margery Eddy's case produced the following testimony of disownment, which was read, approved, and directed to be signed. The same friends were continued to hands her a copy thereof, and in form her of her right of appeal.

Margery Eddy has so far departed from the good order of our religious society as to associate herself with those who have separated from communion with the ancient society of Friends, she has neglected the attendance of our religious meetings, and is in connexion with meetings not acknowledged by our Yearly Meeting, thus identifying herself with the seceders, and evidencing unity their principles. Having been visited, and manifesting no disposition to acknowledge her deviation, we therefore disown her from membership with us.

Signed by direction, and on behalf of Baltimore Monthly Meeting, for the Eastern and Western districts, in unity with the ancient Yearly Meetings of Friends, held the 4th of 5th month 1837.
