The committee appointed to join Men friends in preparing a testimony of disavowment against Rachel T Carr produced the following which was approved and the Clerk was directed to sign it

Rachel T Carr has so far departed from the good order of society of our religious Society as to associate herself with those who have separated themselves from communion with the Ancient Society of friends. She has neglected the attendance of our religious meetings and is in connection with meetings not acknowledged by our Yearly Meeting thus identifying herself with the Seceders and evidencing unity with their principles: having been visited and exhorting manifesting no disposition to acknowledge her deviation we therefore disown her from membership with us
