till next month.

Our beloved friend John Scott laid before this meeting
a concern which has for sometime rested on his mind
to attend and appoint some meetings within the limits
of Baltimore and Nottingham Quarterly Meetings
as truth may open the way with which this meeting
unites and the Clerk is directed to unite with the
Clerk of Men's Meeting in furnishing him with a
minute expressive thereof.

Miles White and Margaret Hopkins having laid
their intentions of marriage before this meeting
Margaret Chelton and Hannah Ann Tyson are
appointed to make the necessary enquiries and report
next month.

A communication from Philadelphia Monthly
Meeting of Women Friends for the Western District

The joint committee of Men and Women Friends
appointed many years since to visit Indian Spring
meeting and have a superintending care over the

To Baltimore Monthly Meeting

The joint committee of Men and Women Friends appointed
^{many} years since to visit Indian Spring Meeting and
have a superintending care over the same conferred together
and were united in the conclusion that owing to the reduced
number of those who now compose that meeting we feel free
to propose that the present meeting for worship be laid down
and that liberty be granted them to meet occasionally or as
circumstances may render it necessary at the dwelling of the
three young women upon whom the principal responsibility de-
volves in keeping up the meeting. Under this arrangement it
would be expected that the meeting would be regularly held as an
indulged meeting either at the meeting house or at the dwelling.
Several vacancies having occurred in the committee we recom-
mend the old one to be released and a new one appointed.

Which we submit to the Meeting.

Signed by direction and in behalf of the committee
