

Sarah F Smiley laid before this Meeting a concern which has rested on her mind for nearly two years, and which for the past year has been almost constantly before her, to visit in the love of the Gospel Great Britain, Ireland, and some of the adjacent Islands; to attend the ensuing Yearly Meetings of London and Dublin, and most of the meetings composing them; and to appoint some meetings with those not Friends, especially amongst the poorer classes. After a time of solid deliberation and full expression of unity and sympathy with her in this weighty concern, the Meeting left her at liberty to perform the important duty she has in prospect as way may open in the Truth.

We certify on her behalf that she is a Minister in unity and good esteem amongst us, and we affectionately recommend her to the Christian care and sympathy of her friends whose her lot may be cast, earnestly desiring that she may in simple faith and obedience to her Lord, be enabled to accomplish the service she believes required of her, & if it is His will, be permitted to return in safety to her friends, with the reward of peace.
