

to the conclusion that at present it would be better for Baltimore Monthly Meeting to appoint two additional overseers residing at Ashton. They therefore recommended to the Monthly Meeting the names of George L. Stabler & Rachel Gilpin as suitable friends to fill the station of overseers of the Monthly Meeting residing at Ashton. — The committee regard this as preliminary to the organization of a Monthly Meeting at Ashton at a suitable time, which they trust may be soon. The committee would also recommend that one of the unanswered queries be read at the conclusion of the first day ~~day~~ morning meeting at Ashton once a month.

The committee gladly testify to the earnestness & interest manifested by the members of Ashton Meeting. They rejoice in their growth & desire to encourage them in their work of faith & labor of love believing that it will receive blessing of the Lord.
