

To Baltimore M. Meeting of Women
Friends.

For some time I have
felt a desire to be a member
of your branch of the Society of
Friends, & now request a
membership among you
Susan C. Gore.

10/21/1845.

Mary B. Nicholson &
Anna B. Thomas were named
to correspond with her on
account thereof & report to
our next M. Meeting.

Mary R. Carey & Augusta Watkins
were named to see that tea
was provided at the meeting
house during the M. meeting.

The committee appointed to prepare
a returning minute for Helen B. Harris
produced the following, which
was accepted by this meeting &
by men's meeting also.

To Cambridge Huntingdon & Lunenburg
Monthly Meeting of Friends England.

Our beloved friend Helen
B. Harris having removed to
reside within your limits &
having requested a certificate
of membership from our meeting
no objection appearing on
enquiry made, we commend
her to your Christian care &
oversight, as a member in
good esteem amongst us.

During the three years of
her sojourn in Baltimore, she
lived & worked with us in
sweet accord & in the unity
& fellowship of the gospel.

Baltimore 10/29/1845.

Then adjourned
