To the Baltimore Monthly Meeting of Friends for the Eastern & Western Districts in unity with the Ancient Yearly Meeting of Friends.

Dear Sirs:

By deed dated 28 Feb. 1868, herewith enclosed your body granted two lots of ground on Saratoga St-corner

of Courtland St to Mr F. S. King & others as trustees for a Normal School for the Education of colored Teachers, with provisions that said trustees should be incorporated & receive the title to said property, which was done.

The said deed of 28 February 1868 contains a clause that the ground with the buildings thereon shall always be held for the purpose of a Normal School for the education of teachers for the colored people of the United States, on account of which a doubt has been suggested as to the right of the corporation of the School to sell said property.

As there was then no intention thus to restrict the alienation of the property we ask on behalf of the School the execution of the enclosed confirmatory deed.
