

The clerks were directed in signing a minute expressive thereof and forwarding to the Quarterly Meeting on W. and C.

Our dear friend Richard H. Thomas laid before this meeting a concern, which had been on his mind for some time past, to attend in the love of the gospel the approaching New York Yearly Meeting. After serious consideration, this meeting fully united with the concern of our friend, and encouraged him to proceed therein, as the Lord may direct, he being a minister in unity and good esteem among us. The clerks were directed in signing a minute expressive thereof.

The library committee reported, having appointed David B. Pope librarian, and the matter of procuring an extra book-case was being attended to.

The committee appointed to visit or correspond with Clara S. Caryl on account of her request for membership, reported having a very satisfactory letter from her, and recommend her as being received as

a member, which was approved. The same committee was continued to inform her of her reception into membership with us.

Oversers presented the following requests for membership.

To Baltimore Monthly Mtg. of Friends.

Dear Friends:

Since I have become acquainted with Christian doctrines and testimony of Friends, and especially since my attendance at your meetings in Baltimore five years ago, I have felt my mind drawn towards Friends, and being fully persuaded of the truths of the Gospel as held by them, I hereby apply for membership in the religious Society of Friends.

Your friend sincerely,  
Julia R. Carpenter.
