England*
Our beloved Friend, Dr. James Carey Thomas
laid before this meeting, a concern that
had for a long time rested on his mind, to
attend in the love of the Gospel, if way
should open for it, London Yearly Meeting
of Friends, and to engage in some other
religious service in Great Britain and
Ireland, and on the Continent of Europe,
as the Lord may direct. After serious de-
liberation, this meeting fully and cordially
united with the concern of our dear Friend,
and he was set at liberty and encouraged
to pursue the same under the guidance
of the Lord. he being a minister in unity
and good esteem amongst us.
In liberating our beloved Friend for this

important service, to which we believe he has
been called, we commend him to God, and
to the christian care and sympathy of those
to whom he may come, trusting that his
labors may be owned and richly blessed
of the Lord.
