Library
Comtee
report.

The Library Committee submitted the following report, which was read, and accepted.

To Baltimore Monthly Mtg. of Friends.

Dear Friends:

The books in the Library have been carefully gone over by your Committee, with the aid of David B. Pope, our Librarian, and useless duplicates have been removed, with a view of presenting such as were of value to other Meeting libraries. The books have also been rearranged, according to subjects, as far as practicable, and a reference catalogue, including both the names of the books, the authors, and subjects, is now nearly completed.

The committee have a number of books under
