appointed to co-operate with the Yearly Meet-
ings Committee hereby submits the following
report.

At Baltimore Meeting, Cutaw street, the at-
tendance on First Day Morning, and on
Fifth Day, has been usually very satisfactory,
and many of the Meetings have been occa-
sions of especial interest, and blessing to
those who were present. The First Day
evening Meetings have been small, not-
withstanding repeated exhortations to our
members to be more faithful in their
attendance.

The Meeting in South Baltimore, or Federal
Hill Meeting, is apparently in a healthy con-
dition, the attendance being good, and
the interest in the Meetings quite general,
with a noticeable development on the part
of several of the members in the exercise
of gifts. The tenth anniversary of the oc-
cupation of their present building occurred
about two weeks ago, and was an occasion
of much interest.

We are unable to report definitely in regard

to the Washington Meeting, beyond the fact,
that the Meeting is held as usual, and the
attendance, though still quite small, is
somewhat larger than it has previously been.
The Meeting at Bendersville, seems to be in
an encouraging condition, and those of our
members who have visited Friends there from
time to time, are very hopeful, as to its future
growth and prosperity.

The Meeting at Leake, has been held regular-
ly, with a small attendance, but so far as we
are informed, has not been visited by any
members of this Committee, since our last
report.

By direction and on behalf of the Committee
