England.

Our dear friend, Dr. James Carey Thomas
returned the minute granted him by this
meeting on the 4th of 9th. month 1890, to
attend in the love of the Gospel, London
Yearly Meeting, and to engage in some
religious service in Great Britain and
Ireland and on the Continent of Europe,
as the Lord may direct, with a return-
ing minute from the Morning Meeting
held in London on the 27th day of 7th.
month 1891. The meeting heard with
great interest, a short account from our
dear friend, of the work in which he has
been engaged, and would acknowledge
its thankfulness, that he has been able to
accomplish the extended service, which
he felt called upon to do, and has been
returned in safety and health among us.
The meeting then went into separate
session.

The committee appointed to see that the
Meeting House is properly cleaned, re-
ported, that the work is being attended to.

The committee named to take under con-
sideration the subject, of how to make our
First-day evening meetings better known
to the public, submitted the following
report, which was read and approved.

To Baltimore Monthly Meeting.

Dear Friends:

The members of the Commit-
tee to take measures for the increase of the
attendance of our First-day evening meet-
ings, have had several conferences, and have
begun their work. Thus far, they feel en-
couraged at the result of their efforts, and
ask, to be continued for further service.
As they need funds for the purpose, they
ask for liberty to spend \$15⁰⁰. They hope
that as efforts are made to bring those who
are not Friends to attend these meetings,
our own members will feel drawn to attend,
and by hearty co-operation help forward the
work.

on behalf of the Committee,

Richard H. Thomas.
